Dear Laurence Shopmaker:

Julian Edison was kind enough to inform me of your recent communications with him.

I felt that you and your mother would like to have a few more facts.

Since Joe and I were the same age (I am now 100 1/2) I wanted to let you know. My wife Evelyn is 91. We both have most of our marbles and try to continue some of our former projects. We enjoyed knowing Joe and remember him well.

I note your partner's name is SENIOR and my college friend at MIT was Edward Senior who once lived in Cincinnati and moved to New York City.

Our best

Eric P. Newman

Mr. Newman,

Thanks so much for your email

You most definitely have your marbles. I have friends who have difficulty emailing.

The Cincinnati 'Senior' is no relation to my partner.

Kind regards, Larry
